Forecast For The United Kingdom
Issued by Met Office Exeter
at 0400 on Sunday 31 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy today with rain followed by brighter spells and showers.

Today:
Unsettled and windy with early rain, heavy at times, followed by brighter weather and heavy showers, the heaviest and most frequent showers in the west. Windy and blustery, especially for parts of southern UK this morning and Wales this afternoon.

Tonight:
Staying windy with showers, heavy at time, especially in the south and west. Showers will also merge into longer spells of rain over some northern and western parts.

Monday:
Changeable and showery with a mixture of sunny spells and showers, heavy at times with showers merging into longer spells of rain in the north. Windy, and colder than today.

Outlook for Tuesday to Thursday:
Showers around coasts, but mainly dry inland with sunny spells by day and some frost and fog patches overnight. Becoming mainly dry through Thursday, but with rain later in north.
